

LOW RISK TRADING - RETURN ON INVESTMENT REPORT (ROI)

-3 PIPS SPREAD USED IN PROFIT & LOSS CALCULATIONS			Standard Account	Mini Account
Currency Pair	Last Year Return In Months	NUMBER OF PIPS	\$10,000	\$1,000
EUR/USD	12 Months	1120	\$11,200	\$1,120
	6 Months	560	\$5,600	\$560
	1 Month	93	\$933	\$93

I expect almost the same above results in coming 12 months. However you should first read and agree the risk disclosure prior to any investments.
